OKSTE

OKLAHOMA SOCIETY FOR TECHNOLOGY IN EDUCATION

OUR VISION

To create, support, inform, and sustain a dynamic, nimble professional learning Society that equips stakeholders to transform teaching and learning through the authentic use of technology.

OUR MISSION

Provide innovation in the authentic integration of technology to transform teaching and learning

OUR CORE VALUES

- We provide EdTech leadership and professional learning to our stakeholders: tech directors, classroom teachers (including pre-service) and support personnel; administrators; and integration specialists and coaches.
- We believe in the power of authentic EdTech innovation to transform instruction and equip students for life pursuits.
- We are service-minded and will endeavor to address the needs of our membership through collaborative decision-making and a shared vision.
- We collaborate to share knowledge and expertise in technology.
- We are a Society focused on providing EdTech expertise, resources, and networking opportunities to support the work of our learning ecosystem.

OKSTE MEMBERSHIP

- **District Membership** (\$250-1000 depending on size) covers all district employees
- **Individual Membership** (\$125) for individuals whose district is not a member
